Washington
Feb. 24, 1863

Dear Mr. Sumner

I enclose a pamphlet copy of my speech of 18th Feb. to which I beg leave to invite your attention; & as it is short you can perhaps publish it. I am about to publish it as a public document for the negro.

Very truly Yours
Geo. W. Julian

I will send you the Globe also which is more legibly printed & fuller as a report.
